Good afternoon,

As an organization, Rebuilding Together Southeast Michigan is committed to the safety and health of our communities. With the spread of COVID-19 (coronavirus) across the country, we are taking active steps to ensure the safety of all parties involved in the work we do. We have decided the following:

- The **Kick-off to Rebuilding Day Event** will be rescheduled from the original date of Thursday March 19, 2020 to a date in early to mid-May. More information and new event invitations to come.
- **National Rebuilding Day projects** will be rescheduled from the original date of Saturday, April 25, 2020 to Saturday May 30, 2020 to ensure the safety of our homeowners, volunteers, and staff.
- **Our office will be closed** beginning March 16, 2020 and will reopen on April 5, 2020. Our team will be working remotely and checking our emails regularly, please contact us individually by email or email our entire team at [rtsemoffice@gmail.com](mailto:rtsemoffice@gmail.com).

Rebuilding Together volunteers work incredibly hard to make our communities stronger. While it is heartbreaking to have to postpone our rebuild projects, the safety and well-being of our neighbors and volunteers is and will always be of utmost importance.

Thank you for your understanding and support.

Sincerely,

A handwritten signature in black ink that reads "Halie M. Black".
